

Don't Fear the Ramp Check

Meet airworthiness and maintenance inspectors from the CLE FSDO and help them help you and your airplane have all the required documentation so that you have nothing to worry about if getting ramp checked.

Directions: Driving? Follow the signs to condo hanger 6. Flying? Park on the big ramp in front of the farthest west row of hangers.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
